## *Calling all Volunteers!*

Dear ADK Trail Volunteer:

It's that time of year again to get outdoors and beat cabin fever as a volunteer for National Trails Day (NTD) on June 5, 2010! Each year, ADK sponsors an event in conjunction with the American Hiking Society's celebration of National Trails Day. The event this year in Indian Lake will be a very special one for the ADK; late last hiking season ADK trail crews completed the long awaited re-route of 7+ miles of the Northville-Placid Trail off of the Cedar River Road and private property to the Blue Ridge Wilderness. I would like to ask you to play a part in ADK having a successful NTD event. Here's how you can help, get involved, and make a difference:

### *National Trails Day 2010*

- **Sign up!** to volunteer through the website or your local chapter
- **Get Sponsored!** ADK is encouraging its volunteers to get sponsorships of \$25 to help cover the costs of NTD. Suggested sponsors include: your local outdoor gear store, your employer or other supporters of ADK. Sponsors will receive a certificate of appreciation, photos of their logo at the event and recognition for their contribution to NTD in *Adirondack*, the ADK's bimonthly magazine. Sponsored individuals get a chance to win special prizes like cool gear and equipment from Leki, Badger Balm, Merrell and more!
- **Get Ready!** Pack for camping, dust off those hiking boots and get ready to have some fun in the woods!

### *National Trail Day 2010 Volunteer Benefits*

- **Dinner** provided on Saturday night
- **Free camping** at the Lake Durant campground
- **Entertainment and drinks** on Saturday night
- Every volunteer gets an opportunity to enter in the annual **give away for gear, equipment and cool prizes**
- **An official NTD 2010 Tee Shirt and ADK's appreciation** for your work to conserve and maintain trails in the Adirondacks

At the bottom of the registration form there is a space to record your sponsorship of \$25. If you have any questions regarding this sponsorship opportunity please contact me at the Heart Lake Program Center or Deb Zack at the Membership Services Center.

The Adirondack Mountain Club and its members have been maintaining and building trails in the wild lands of New York for over 80 years. Help keep that tradition strong by volunteering for National Trails Day 2010.

Sincerely,

Wes Lampman  
ADK Director of Field Programs
