## *Calling all Volunteers!*

Dear ADK Trail Volunteer:

It's that time of year again to get outdoors and beat cabin fever as a volunteer for National Trails Day (NTD) on June 4, 2011. Each year, ADK sponsors an event in conjunction with the American Hiking Society's celebration of National Trails Day. The ADK volunteer trails program will be returning to the town of Inlet and to some of the surrounding trails to complete some much needed maintenance. The last NTD event that was sponsored in Inlet was in 2006 and I would like to ask you to play a part in ADK having another successful one. Here's how you can help, get involved, and make a difference:

### *National Trails Day 2011*

- **Sign up!** to volunteer through the website or by calling the number posted below
- **Get Sponsored!** ADK is encouraging its volunteers to get sponsorships of \$25 to help cover the costs of NTD. Suggested sponsors include: your local outdoor gear store, your employer or other supporters of ADK. Sponsors will receive a certificate of appreciation, photos of their logo at the event and recognition for their contribution to NTD in *Adirondack*, the ADK's bimonthly magazine. Sponsored individuals get a chance to win special prizes like cool gear and equipment from Leki, Badger Balm, Merrell and more!
- **Get Ready!** Pack for camping, dust off those hiking boots & work gloves and get ready to have some fun in the woods!

### *National Trail Day 2011 Volunteer Benefits*

At the bottom of the registration form there is a space to record your sponsorship of \$25. If you have any questions regarding this sponsorship opportunity please contact me at the Heart Lake Program Center (518-523-3480) or Deb Zack at the Membership Services Center (518-668-4447).

The Adirondack Mountain Club and its members have been maintaining and building trails in the wild lands of New York for over 80 years. Help keep that tradition strong by volunteering for National Trails Day 2011.

Sincerely,

Wes Lampman
