

Exit 29 on Interstate 87

3927 Blue Ridge Road, North Hudson, NY 12855

We will meet on the west side of Exit 29 along I-87 in the village of North Hudson, NY. Please park on the shoulder of Blue Ridge Road near the west side on- and off-ramp.

Once all of the participants have arrived, we will caravan together from this point to our trailhead. Please arrive at least a few minutes before the scheduled meet-up time to get your pack ready to go. We have a big day ahead of us.

Continue on to Page 2 for more details.

We will travel west down Blue Ridge Road (also known as Boreas Road) to get to our trailhead. If you are traveling from the west and would like to meet the group at the trailhead instead of driving all the way to Exit 29, *you must inform the Trip Leader.*

Cell service is not usually available along Blue Ridge Road, and our trailhead can be difficult to find if you are unfamiliar with the area. When in doubt, plan to meet the Trip Leader at Exit 29 by the meet-up time listed for your trip.
